No snow. Need I say more?

Mark Kilgore decided to miss the snow and go to Hawaii

Chris Reister and neighbors met a rider from Georgia at the hut.

The Theumas took advantage of the snow.

Steve, Greg, John, LouAnn, Christy and Pat in Yellowstone area.

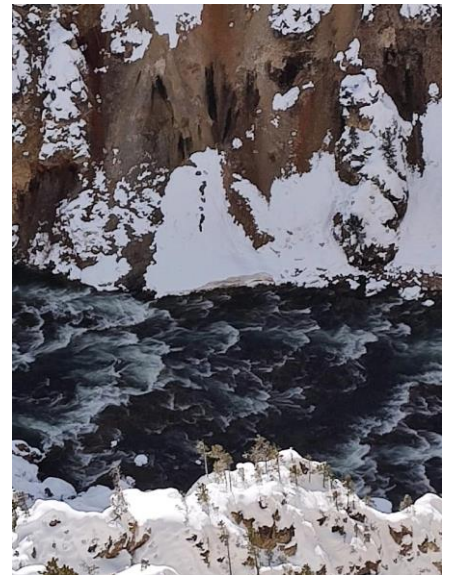

Adam Scott, John Bigler and Knoxville, TN friends stopped by the hut.

*We don't promote this, but someone wanted to post a musical drum solo using our firepit.*

*The OHSC crew had a good time out west. It sounds like they want to organize a club trip back there next year.*

*Scott Parol, Mark Thompson, and two others said, No snow so we rode the quads to the show, hit the trails afterwards and a stop at bull gap. Another great show and great day*
