

TRACTOR MAINTENANCE DAY 2024

14 MEMBERS SHOWED UP TO GET ALL 3 TRACTORS READY. WE STILL NEED TO GET CHAINS ON THE 7610 AFTER IT GETS NEW TIRES.

Chris and Jeff change oil filters

Doug worked on some hoses

Debbie cleaned the inside window.

That's Jeff, not the wicked witch.

One tractor done, take it out to bring the 7410.

Corey, Jim and Mike hooking up the 3-pt hitch.

*It took a lot of discussion to get the hitch on the tractor.*

*Russ tightens bolts on the shelving he donated.*

*Under the hood work.*

*Doug and Mike worked on hydraulic connections on the front blade.*

*Roger worked inside the hood.*

*Debbie held a light for Doug to make a connection.*

*Jeff spent a lot of time on his back under tractors.*

*Debbie cleaned the inside windows in all three tractors. They really needed cleaning.*

*Corey worked on an inside connection*

*ALL the hydraulic hoses on the back. Pretty complicated.*
