West Branch Visitors Bureau met to discuss the Eco Tourist box project. Chavon is in the back somewhere.

-15 degrees, 100 miles of freshly groomed trail. Saw 1 wolf, 3 Lynx and a partridge. No other sleds in 100 miles, near Hornepayne. Dennis, Al, John and Ron.

Russ groomed the beginning of February.

Chavon and Chris tried to eat at Tony's but it wasn't open.

Chris is a dedicated parent taking Owen to school.

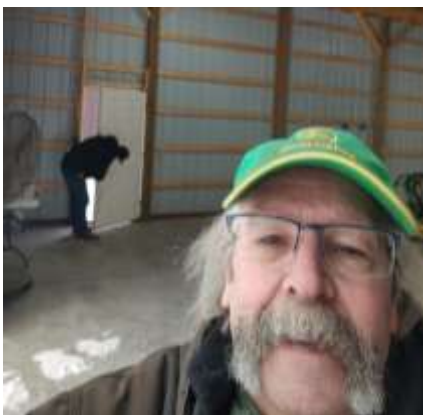

Connor Timmons had a good time with us on our Christmas trip. He is a friend of Lyle Curry.

What a way to go to school.

Owen's school bus.

Corey did double duty, fixing the door to the new barn and plowing the parking lot and turn around.

Greg was moving tractors around so it won't be hard to get them out for the Open House. Three tractors and drags makes it crowded. And the new drag is due in next week.

Chris and Chavon Nihls rode out to the warming hut, then to the Long Lake bar.

New drag was delivered and sent out grooming. Big thanks to Corey, John and Groomer Mike.

The new Trailsetter drag works great with our 6Rs.

Corey and Mike talk about the new drag

Dave D stopped Mike on the trail.

Kevin Sessink and friend.

Chavon and Chris attended the Hale Area Schools scholarship night

Dan White at MaDeeters.

Adam Scott and his Tennessee crew stopped at the warming hut again this year.

Dan White and Al Chisholm out on the trails.

Chris Fraser, Russ Kleinhans and Walt Sammut rode from Frank Alley to Lewiston and Talley's Log Cabin.

The trail map has been replaced in the warming shack. Frame allows hanging flyers. We just have to keep graffiti, ads of it.

Saturday night grooming the east side. 📹

Keith Humpert took this one morning.

Lots of snow at Fast Eddies but few people.

FB friend Tammy Hysell took a cool shot of the hut.

Lyle found Smooth trails

FB friend Neil Spodney and friends enjoyed the hut.

Jeff stopped by the hut one night.

Lyle's trailer is full of snow

Lyle's sled doing a snow dive.

Pat Daly's orange sled plus sled and fire

Chris Theuma found some lights.

Dan White and friends rode to Matts in Roscommon. Can only ride in the town when there is lots of fresh snow

We have been out on the trails the last two days. They are flat and smooth. Thank you to all who make this possible. We very much appreciate it- Dave Schark

Tim called this trip the warming hut trip, visited 3 to the east of the club, ours, Hale Area Trailblazers, and Ausable Valley Trailriders Association, crossed the old M65 bridge over the Ausable River and had lunch at Desi's, 126 miles and our Tin Leslie

Skip couldn't decide which way to go outside Newberry: All the trails were snowed out.

John and Lou got ready to ride out of Newberry.

Skip stopped Groomer Eric outside Newberry to give him a snack.

John got gas at Pine Stump Junction.

Two Steves , Two Pats, Tom and Walt on a round trip ride from Lupton to Mackinaw City and back in two days ! 370+ miles of groomed trails and perfect weather for the ride! Great time had by all!

Keith Humpert and kids stopped by the warming hut their dedicated to his aunt and uncle.

Chris decided to take a nap in the warming hut.

The Distelrath kids were out on the trails with Jason and Dave, riding over 100 miles.

Chavon and Chris hammed in the selfie.

The R2 got stickered.
