

OGEMAW COUNTY FAIR 2025

August 12-16

A large metal eagle sculpture guards the fair entrance.

Steve Prueter, Nick Martin, Mike Bachelder, John Hurry, Walt Sammut Russ Kleinhans, and Jim Kaiser moved the canopy frame to its site.

Steve Gerling and John Hurry came to help Russ Tuesday

There was an ice-making truck at the fair this year. Kids manipulated levers on the side to make ice bubbles.

These kids snuck into the trailer.

He REALLY wants to win this ATV. Kids climbed on the ATV and sled every day. Parents took pictures for memories.

Chris, John, Jim, Chavon Thursday morning Ed came later.

He'll be ready to ride this if he wins.

OHSC at the Ogemaw County Fair 2025

We manned a booth again selling raffle tickets, maps, shirts, and PR. Lots of kids climbing on the Yamaha ATV, the 120 Arctic Cat and the big tractor. It was fun watching the crowd go by and waving them in to buy tickets. Several of our Club Sponsors had displays near us - St. Helen Power Sports, Hutson, and Wiltse.

Russ and Walt opened up Tuesday with Steve Gerling. John, Greg and Chis stopped by later.

Wednesday, Russ and Walt opened and John and Jim Kaiser came by later.

Jim Kaiser worked the youth 4H auction and also helped at our booth a couple days.

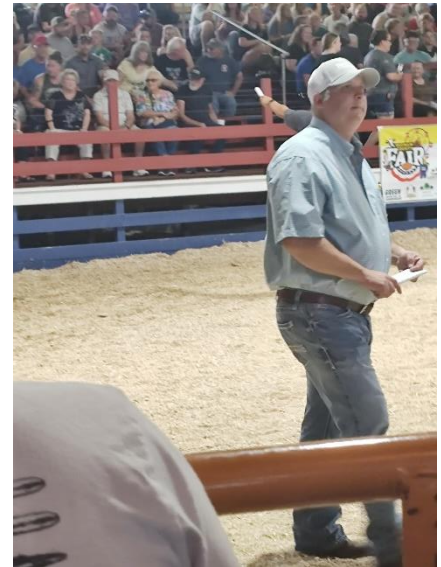

Thursday, Jim Kelts, Chavon, and John joined me. Ed came in the afternoon.

Friday, Pat, Jim Kelts and I opened up. John came in the afternoon and Jim Kaiser too.

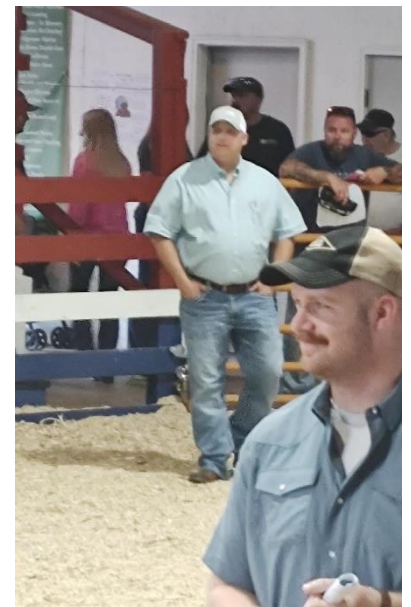

Our favorite Army recruiters also stopped by Friday— their booth was down the road.

Amy and Nathan joined Russ, John and me Saturday. Ed and his wife Linda came too. Carl and Steve stopped by later. A full house!

It all comes down this morning and goes back to the clubhouse. Greg will take the tractor. Thanks to all the members who worked and to those people who bought raffle tickets. (Good luck in the drawing.) It was another successful OHSC event.

Jim Kaiser worked the 4H animal auction Thursday. He was watching the crowd for bids on a champion duck. FYI The top duck sold for over \$1000.

Skip in line at a food truck. BIG burrito for lunch.

Jim Kaiser, John and Skip at the booth.

John, Jim Kelts, Skip, and Jim Kaiser were there Friday.

Corey and grandkids stopped by Thursday evening.

John and Jim needed food from the Paddling Pig food truck to keep their strength up.

Lots of smiling kids sat on the Arctic Cat and the Yamaha ATV.

Jim Kelts spent two days at the booth.

Amy and Nathan Loomis worked all day Saturday. Amy really pushed the T-shirts.

Several of our Club and Golf Outing sponsors were set up near us: Hutson, St. Helen Power Sports, and Willards Equipment.

The two previous years at the fair, these two Army recruiters were set up across from us. They got moved down the way this year but they stopped by to say HI.

Greg took the tractor home Sunday.

Greg and Steve helped unload gear.

Sunday morning the guys took down the canopy, packed it up and brought it all back to the clubhouse. All the toys are put away.
Chris was in the clubhouse dealing with the club gear we brought back.

Pat brought the Arctic Cat and the ATV back on his trailer.

Greg had to move the mower out in order to get the canopy and machines in the barn

Steve unstrapped the ATV to unload it.

Walt and Pat unload the Arctic Cat.
