

**APRIL / MAY PHOTOS**

April is a slow month. Trails are closed, wind/snow/ice storms. Getting equipment changed from snow grooming to dirt dragging.

Greg and John have been moving equipment around getting ready for summer grading.

Club sponsor Talley's Log Cabin in Lewiston was named best burger by the Detroit Free Press.

Some of the old/new board: Trail Coordinator Greg Ruppel; new Vice-President Corey Swanson; Treasurer Bryan Lehr; President John Hurry; Sargeant-at-arms Walt Sammut; Webmaster Gary Yonkos; Trustee Doug Lubahn.  
missing: Outgoing Vice-President Pat Peterson; Grant Chair Jeff Moorhouse; new Secretary Nick Martin, Outgoing Secretary Jim Kelts.

Doug gave his Open House report at the April meeting.

DJ's Scenic Bar in McKinley was sold and renamed McKinley Tavern.

EXIT222 had a group ride with many starting from Frank Alley Park.

Corey Swanson and his dad moved the man door on the new barn to the front. When it was on the side, it was under rain drip. Much better here.

I found this satellite photo of Frank Alley Park taken a few years ago.
